

SNOW AND ICE MELT PRODUCTS

**MOST EFFECTIVE AND EFFICIENT
ICE MELT IN THE INDUSTRY**

OVER 75 YEARS AND GROWING!

Founded in 1923, MORGRO ICE MELT PRODUCTS, continue to provide full-value, high performance quality to all our customers.

While designed to offer comparative protection and effectiveness found in ice melt. MORGRO products work efficient and effectively on Snow and Ice removal.

MORGRO offers dependability in all our products. In addition MORGRO provides resource capabilities for identifying specific Snow and Ice problems and recommended solutions.

MORGRO ICE MELT PRODUCTS ARE:

SNO-PLOW is our leading ice melt brand for cost efficient snow and ice melt solution.

ICE FIGHTER PLUS is our premier ice melt product, that significantly reduces damage to concrete when compared to other products.

CAL MELT sodium chloride-calcium chloride product, colored pink to reduce risk of over application

DEEP THAW high performance snow & ice melter.

FOR EFFICIENT AND EFFECTIVE RESULTS DURING SEVERE WINTER SNOW & ICE THE INDUSTRY LOOKS TO MORGRO PRODUCTS.

Service and Satisfaction are MORGRO'S priorities.

MORGRO

SNOW AND ICE MELT PRODUCTS PRODUCT CATALOG

Since 1923, Service and Satisfaction are Morgro's priorities.

ICE FIGHTER PLUS® reduced concrete damage because it reduces the amount of water that can be absorbed into the concrete. During the testing, the samples were weighed "wet". Then each sample was heated (to drive off residual moisture) and weighed again. The concrete treated with **ICE FIGHTER PLUS**® had far less moisture.

ICE FIGHTER PLUS® was developed by a civil engineer. The investigations and research were conducted at an independent civil engineering lab. **ICE FIGHTER PLUS**® is a two component system consisting of:

1. The Ice Melter

2. Propolyice

Only **ICE FIGHTER PLUS**® with its additive Propolyice, combines with melted water to form a polymer barrier which reduces the amount of liquid entering into the pores of the concrete. With less liquid being absorbed, freezing cannot exert as much pressure on the concrete [because there is more room for expansion] which reduces flaking and spalling up to 80%.

SNO PLOW®

❄️ Each individual **SNO-PLOW**® granule is now coated with "**LIQUI-FIRE**"™ melting enhancer. Unlike many salt and pepper ice melters, (one granule of this and one granule of that), each granule of **SNO-PLOW**® works individually for maximum performance.

❄️ "**LIQUI-FIRE**"™ is very safe. It is less toxic than baking soda. **SNO-PLOW**® snow and ice melter contains no dangerous chemicals. It can be handled safely with bare hands. 100% non-toxic to children and pets. ❄️ **SNO-PLOW**®'s green colored granules reduce the possibility of over-application, the major cause of tracking problems. **SNO-PLOW**® with "**LIQUI-FIRE**"™ is safe on carpets and floors. Leaves no oily residue. ❄️ **SNO-PLOW**® will not harm trees, shrubs, lawns or other vegetation when used as directed.

❄️ **SNO-PLOW**® is safe for concrete when used according to the manufacturers recommendations. When used on concrete do not use in excess of specifications listed by the manufacturer. ❄️ Unlike many other ice melters, "**LIQUI-FIRE**"™ contains an anti-corrosion chemical to help fight corrosion to exposed metal. ❄️ "**LIQUI-FIRE**"™ effectively lowers the working temperature range of **SNO-PLOW**® allowing it to work up to 3 times faster than ordinary ice melters. The "**LIQUI-FIRE**"™ in **SNO-PLOW**® has a maximum freezing point of -27°F (-32°C). ❄️ **SNO-PLOW**® with "**LIQUI-FIRE**"™ is available in five convenient sizes and packages, ranging from 25# to 100# containers. ❄️ **SNO-PLOW**® is very economical to use. If used according to label directions, you will use less product per sq. ft. than most other ice melters on the market. ❄️ Compared to many other ice melters, "**LIQUI-FIRE**"™ maintains the free flowing nature of **SNO-PLOW**® for easier application and unlimited shelf life. **SNO-PLOW**® is less likely to attract moisture and to cake.

MELTS ICE, SNOW & SLEET FASTER - SAFER
SAFE FOR PEOPLE & THE ENVIRONMENT WHEN USED AS DIRECTED

DEEP THAW® HIGH PERFORMANCE SNOW & ICE MELTER

- * CONTAINS MELTING ENHANCERS AND CORROSION INHIBITORS
- * WILL NOT HARM LAWNS, TREES, OR SHRUBS WHEN USED AS DIRECTED
- * MELTS DOWN TO -27° F
- * REDUCE USAGE - MELTS FASTER THAN ORDINARY DEICERS
- * 100% WATER SOLUBLE
- * EASY TO APPLY
- * CAN BE HANDLED SAFELY WITH BARE HANDS
- * NO MASK REQUIRED WHEN APPLYING
- * SAFE ON CONCRETE WHEN USED AS DIRECTED
- * ODORLESS - LEAVES NO RESIDUE

CAL-MELT® Snow & Ice Melt

Calcium Chloride Formula

- IDEAL FOR DRIVEWAYS, SIDEWALKS, PORCHES, PATIOS & PARKING LOTS
- LEAVES NO WHITE RESIDUE
- WILL NOT HARM LAWNS, TREES OR SHRUBS WHEN USED AS DIRECTED
- KEEPS YOUR PREMISES SAFE
- CONTAINS NO DANGEROUS CHEMICALS
- MELTS SNOW AND ICE...DAY OR NIGHT
- LESS NEEDED - MELTS FASTER THAN ORDINARY DEICERS
- MELTS SNOW AND ICE COMPLETELY
- ELIMINATES SLIPPERY ICE CONDITIONS
- 100% SOLUBLE
